Here you will find the [menu](#) of **Baton Rouge Steakhouse & Bar** in LACHENAIE. At the moment, there are **20** dishes and drinks on the menu. The overall dining experience at Red Stick Baton Rouge was disappointing. The steaks were not cooked to order, the food was served lukewarm, and the burnt sugar on the creme brulee was a consistent issue. The service was hit or miss, with language barriers and slow service. However, some diners found the food quality consistent and praised the gluten-free options. While some enjoyed their meals and experienced great service, the high prices did not always match the overall experience. Ultimately, the restaurant was not consistent in delivering a quality dining experience, with some diners vowing not to return.
