A **complete menu** of Java Joe's from [St. Ignace](#) featuring all **21** dishes and drinks can be found here on the menu. Java Joes is a charming café celebrated for its vibrant atmosphere and excellent coffee, though primarily catering to vegetarians. While it offers a limited selection of vegan options—mainly fruit bowls and plain toast—the consensus suggests a desire for more inclusive, plant-based dishes. Despite the occasional service hiccup during busy hours and mixed experiences with food quality, many patrons appreciate the engaging décor and friendly staff. Overall, Java Joes stands as a delightful destination for coffee lovers, but could elevate its appeal with just a few thoughtful menu adjustments for the vegan community.
