A complete [menu](#) of Tony's Deli from Burbank featuring all 27 menus and drinks can be found here on the menu. Nestled in Burbank, Tony's Deli captures the charm of family-owned establishments with its array of sandwiches. While some guests rave about the delightful chicken and meatball sandwiches, others express disappointment in the Italian sub's bread and lack of traditional ingredients. The quality of meats, notably the Boar's Head mortadella, earns high praise, stirring nostalgic memories of simpler times. The friendly staff enhances the experience, though some service inconsistencies remain. With reasonable prices and a warm atmosphere, Tony's Deli remains a worthwhile stop for sandwich lovers, despite a few areas needing improvement.
