On this webpage, you will find the **complete menu** of **Cracker Barrel** from Park City. Currently, there are **135** dishes and drinks available. Cracker Barrel offers a mixed bag of dining experiences, with recent feedback highlighting both excellent moments and significant disappointments. While some patrons enjoyed standout dishes, like the Southern fried chicken and unique pancake offerings, others reported issues with food quality and service, including long wait times, incorrect orders, and unsatisfactory staff interactions. The restaurant's store, featuring an array of unique items, adds to its charm. Despite occasional lapses, many customers appreciate the welcoming atmosphere and recommend it as a nostalgic American dining option, particularly for family meals or casual outings. Overall, it's best to go with tempered expectations.
