**The menu of Ponzu from Waltham** contains about **63** different dishes and drinks. On average you pay about \$9.0 for a dish / drink. Nestled on bustling Moody Street in Waltham, this restaurant presents a mixed bag of dining experiences. Diners rave about fresh [sushi](#), delicious bibimbap with crispy rice, and a diverse selection of dishes, including soft shell crabs and grilled eel. Many appreciated the friendly owner and quick service, especially with special dishes like toro. However, some reviewers reported disorganized service and long waits for appetizers and drinks, occasionally overshadowing the cuisine. While the food garners praise, the ambiance feels cramped and lacks cohesion, suggesting a need for improvement to match the culinary offerings and create a more enjoyable atmosphere.
