On this webpage, you will find the **complete menu** of **EXCELSIOR Brewing Company** from EXCELSIOR. Currently, there are **40** menus and drinks available. Nestled in a charming lakeside town, this brewery offers a vibrant atmosphere with a diverse selection of craft beers and frequent live music events. Despite earlier praise for its inviting space and family-friendly vibe, recent visits reveal staff inconsistency—some guests report rudeness, and a lack of information about beers can hinder the experience. While the outdoor seating and community support create a welcoming ambiance, issues with early closing times and limited parking have frustrated patrons. Overall, it remains a popular spot for beer enthusiasts, families, and dog lovers alike, but improvements in service could elevate the experience.
