A complete [menu](#) of New Passage To India from Abbotsford featuring all 43 menus and drinks can be found here on the menu. This restaurant offers a buffet lunch and various meal box options with good food, especially the naan bread. The interior features old woodwork from when it used to be a hotel. Delivery service was slow and food arrived cold, with attempts to push a discounted sale. In-house dining lacks ambiance and attentive service, but food quality is great for takeout. Dishes are priced well and the butter chicken is recommended. Desserts are a highlight, with rice pudding being a standout. Recent improvements have elevated the dining experience, making it worth a visit. Overall, a charming spot for Indian cuisine in Abbotsford.
