On this homepage, you will find the **complete menu** of **Tony Georges Seafood/italian** from West Point. Currently, there are **43** dishes and drinks available. Nestled in a charming atmosphere, this restaurant offers a mixed dining experience. While some patrons rave about the flavorful fried fish and the attentiveness of the staff, others have expressed disappointment over slow service and underwhelming seafood dishes. The broiled seafood platter, a menu highlight, received mixed reviews, with varying opinions on quality and preparation. Although certain dishes, like the vegetable beef soup and BBQ options, are recommended, the Italian offerings fell short for some visitors. Overall, while the ambiance and certain menu items shine, consistency in both food quality and service remains an ongoing concern.
