On this site, you will find the **complete [menu](#) of The Vault** from Whitby. Currently, there are **44** dishes and drinks available. The Vault in Whitby provides a cozy atmosphere with impressive menu options, including the feature burger and unique appetizers like 'melted Brie turkey balls'. Although portion sizes were smaller, the lobster and crab mac & cheese and herb tempura battered fish and chips did not disappoint. On the other hand, disappointed diners found the burgers lacking flavor and the establishment as a whole missing the mark, with overseasoned food and a lackluster beer selection. However, the Vault earned praise for its delicious food, friendly staff, and unique atmosphere with original bank vaults still in use. With private dining rooms and a wide menu selection, The Vault is a must-visit destination in Whitby.
