**The menu of Romeo's Pizza from Columbus** comprises about **44** different courses and drinks. On average you pay about \$12.3 for a dish / drink. While this restaurant has garnered a loyal following due to its delicious offerings, recent experiences highlight significant operational challenges. Many patrons report lengthy wait times, often exceeding an hour, with some orders arriving burnt or incorrect. Frustration intensifies as communication issues plague the ordering process, leaving customers feeling neglected. Despite these setbacks, positive interactions with staff members, particularly during phone orders, indicate some employees are dedicated to providing excellent service. Ultimately, if management can address these operational shortcomings, this establishment could reclaim its status as a local favorite. For now, potential diners should be prepared for a gamble.
