At the moment, there are **86** dishes and drinks on the menu. **\*\*Dining Experience at Zorbaz: A Lakefront Gem with Room for Improvement\*\*** Zorbaz, a popular lakefront restaurant in Ottetail, has long been celebrated for its vibrant atmosphere and diverse menu, particularly its pizzas and nachos. However, recent visits reveal inconsistencies in food quality, service, and cleanliness. While the scenic location and relaxed vibe attract summer tourists, patrons lament long wait times, rude staff interactions, and decline in nacho quality. The creative menu offers something for everyone, but rising prices and occasional service flaws leave customers yearning for the enthusiastic service that once defined this lakeside hotspot. A commitment to improvement could reignite Zorbaz's charm.
