Here you will find the [menu](#) of **Smokin' R Barbeque** in West Columbia. At the moment, there are **45** dishes and drinks on the menu. Touted for its delicious food and authentic Texas BBQ, this restaurant presents a polarized dining experience. While some patrons rave about the mouthwatering dishes, like tender brisket and exceptional BBQ sauce, others criticize the high prices and lackluster seasoning. Concerns arise over inconsistent quality, with complaints about over-spiced sides and disappointing textures. While the atmosphere and service earn praise for their friendliness and efficiency, some diners yearn for a warmer interaction. Despite the steep price tags, many express a willingness to return, hoping for a more satisfying experience next time. The restaurant's potential remains a hot topic.
