On this homepage, you will find the **complete menu** of **Fin Your Fishmonger** from [Guilderland](#). Currently, there are **46** dishes and drinks available. Fin Your Fishmonger presents a tantalizing [seafood](#) selection, often lauded for its fresh offerings like smoked bay scallops and exceptional lobster rolls. However, customer service experiences are inconsistent, with reports of inattentiveness and confusion over billing. While many patrons rave about the quality of the fish and the enjoyable dining ambiance, others have faced disappointing meals, citing dry fish and poorly executed sides. Despite its potential, some diners are opting to shop elsewhere due to service shortcomings. Overall, Fin stands as a promising yet imperfect seafood destination, appealing to those who prioritize quality but seek consistent service.
