On this site, you will find the **complete menu** of Taproot Brewing Co. from [Middletown](#). Currently, there are **29** dishes and drinks available. Newport Vineyards offers a beautiful ambiance and a diverse selection of wines and craft beers, making it an attractive destination. However, recent experiences highlight significant issues with food quality and service consistency. While dishes such as fried chips and pretzels received praise, many others fell short, featuring overcooked ingredients and flavors that disappointed diners. Service can be hit-or-miss, especially during busy periods. Despite these challenges, some guests enjoyed their visits, praising specific menu items, cocktails, and the inviting atmosphere. Overall, while there's potential, guests are encouraged to manage expectations regarding food quality.
