**The menu of Five Guys from Nanuet** comprises about **54** different dishes and drinks. On average you pay about \$7.2 for a dish / drink. ### Five Guys: A Mixed Grill Experience Five Guys presents a classic burger joint experience, where patrons can expect generous portions and a casual atmosphere. While the burgers are often praised for their quality and flavor, opinions on pricing and consistency vary. Some diners find the prices steep for what they receive, especially given the quality of fries and side offerings. Limited dining ambiance and mediocre service were noted by a few, yet many appreciate the free peanuts and clean environments. Overall, Five Guys remains a viable choice for fast-food enthusiasts craving a hearty burger, albeit with some reservations regarding value for money.
