+15702262993 - <http://www.thesettlersinn.com/>

The restaurant from HAWLEY offers **48** different **dishes and drinks** on [the menu](#) for an average price of \$15.7.

****Settler's Inn: A Dining Experience with Contrasting Highlights**** Settler's Inn presents an enchanting atmosphere, marked by cozy decor and a charming setting. While the service has varied—ranging from attentive to lackluster—many guests find that the ambiance compensates for any shortcomings. Culinary experiences also differ; some rave about delightful appetizers and entrees, while others report subpar meals, such as undercooked eggplant and disappointing quiche. Despite these inconsistencies, loyal patrons appreciate the restaurant's commitment to gluten-free options and creative takes on traditional dishes. Overall, while there are areas for improvement, Settler's Inn remains a beloved destination for both its atmosphere and potential for memorable dining.
