Southern Aroma offers a diverse range of South Indian and Sri Lankan dishes, with some patrons praising the excellent mutton curry and gourmet dosas. Signature items like hukh 65 and well-prepared mango lassi garnered positive feedback, while the creative menu suggests potential for innovative dining. However, many diners reported inconsistencies, with complaints about stale food, poor service, and unexpected charges that shadowed the experience. Customer service issues, including communication mishaps, have raised concerns, leaving some questioning the restaurant's viability. Overall, Southern Aroma presents a tantalizing mix of flavors, but uneven quality and service warrant caution.
