On this site, you will find the **complete [menu](#) of Il Focolaio Pizza Resto** from Montréal. Currently, there are **51** menus and drinks available. Located just a stone's throw away from many offices, this [pizza](#) restaurant received mixed reviews. Some found the vegan options to be disgusting and not edible, while others raved about the perfect crust, sauce, and cheese on their pizzas. With a picturesque location and fast service, some customers highly recommended giving it a try. There are also options for those looking for vegetarian and vegan pizzas, with a good selection of toppings available. Overall, it seems like a hit or miss experience depending on your preferences.
