The menu of Tucanos Brazilian Grill from Provo contains about **54** different menus and drinks. On average you pay about \$8.1 for a dish / drink. At Tucanos, a Brazilian restaurant and grill, guests can immerse themselves in the churrasco-style dining experience. Talented grill masters prepare a variety of delicious meats and bring them to the table on skewers. Each table features a wooden block that, when flipped to the green side, prompts servers to continuously bring more food. When diners have had their fill, they can switch it to red. In addition to the meats, Tucanos offers a buffet named the Salad Festival, which includes a wide array of salad options along with hot items such as pasta, potatoes, rice, and soups like lobster bisque.
