The **menu of Fatburger** from Las Vegas includes 55 dishes. On average the **dishes or drinks on [the menu](https://menuweb.menu)** cost approximately \$11.8. You can view the categories on the menu below. At Fatburger, the experience can be hit-or-miss, as evidenced by recent diners' feedback. While some enjoyed the XXL burger's satisfying portion and quick service, others faced service issues and complaints about food quality. Patrons noted instances of rudeness, inaccurate orders, and even health concerns stemming from the turkey burger. Pricing also sparked discontent, with many feeling the cost did not align with the value received. Despite its clean environment and vegetarian options, the overall sentiment suggests that improvements are needed in both service and food consistency to better meet customer expectations.
