Currently, there are 60 menus and drinks available. **\*\*Restaurant Review: Venice Beach Revisited\*\*** An unfortunate incident marred a recent visit to this once-beloved establishment, as chaos erupted when a stranger attempted theft, leaving some patrons distressed. While staff bravely handled the situation, the owner's dismissive response to customers' concerns left much to be desired, prompting questions about loyalty. Despite mixed opinions on service and food quality—where generous portions and flavorful dishes were contrasted by inconsistent meat servings and messy orders—first-time visitors expressed positive impressions of the menu and convenient location. While nostalgia lingers for what once was, many are left hoping for a revival of the restaurant's once-stellar reputation.
