The **menu of Chipotle Mexican Grill** from Atlanta includes **59** dishes. On average the *dishes or drinks on [the menu](#)* cost approximately \$8.6. You can view the categories on the menu below. In a disappointing turn for Chipotle enthusiasts, a recent visit to a particular location revealed significant issues. Diners faced long wait times, unexpected ingredient substitutions, and rude service. Many reported dissatisfaction with food quality, including undercooked rice, insufficient meat portions despite added charges, and poorly constructed burritos leaking ingredients. Extra charges for toppings caught patrons off guard, further fueling frustration. Even the signature guacamole did not meet expectations, exhibiting an odd texture. Overall, this location appears to fall short of the brand's reputation, urging potential customers to consider alternatives.
