The menu of Crooked Crust Pizza from [Farmers Branch](#) includes 56 dishes. On average the dishes or drinks on the menu cost approximately \$8.5. You can view the categories on the menu below. Crooked Crust presents a mixed experience for [pizza](#) enthusiasts. While some patrons rave about the thin, hand-tossed crust and flavorful toppings, others express disappointment with the original crust's unexpected thinness and the blandness of the red sauce. Service issues have been noted, with customers facing challenges in communication and order fulfillment. Although there are standout dishes like the Lu-Wow pizza and Caesar salad that have garnered positive feedback, inconsistent quality, including reheated pizzas and ingredient shortages, could benefit from improvement. With a few adjustments in taste and service, Crooked Crust holds potential to elevate its reputation significantly.
