The restaurant from [Prince Albert](#) offers **56 different menus and drinks on the menu at an average price of CA\$19. ****Restaurant Review: A Mixed Bag of Experiences**** At this restaurant, customer experiences vary widely. While some diners rave about the friendly staff, excellent service, and fresh, flavorful meals, others express disappointment over inconsistent portion sizes and spice levels. Favorites like the beef and chicken burritos receive praise for their taste, but issues such as overly spicy dishes and insufficient salsa portions detract from the overall dining experience. Despite the fluctuations in quality, many patrons appreciate the cleanliness and attentiveness of the staff, making it a place worth revisiting for those seeking a casual [Mexican](#) dining experience.**
