The restaurant from Maplewood offers **60** different **dishes and drinks on [the menu](https://menuweb.menu)** for an average price of \$12.4. ****Dining Experience: A Mixed Bag at Local Pizza Joint**** The restaurant scene offers a blend of highs and lows, as recent visits highlight a spectrum of customer experiences. While some patrons enjoyed excellent service, with friendly staff and fresh, tasty food, others encountered significant disappointments. Issues included long wait times, unclean conditions, and inadequate food options, leading to frustration for diners. Complaints about rude cashiers and poorly maintained salad bars further detracted from the overall atmosphere. Despite these challenges, a few customers noted a willingness to return, drawn in by the kindness of the staff and a solid menu offering. It seems this establishment is still finding its footing.
