Located in Blairstown, this tavern offers a casual atmosphere with a variety of pub food and an impressive beer selection. While many guests praise the friendly service and quality dishes, some recent reviews highlight concerns over pricing and value. Diners have experienced disappointment with mediocre meals, particularly burgers that lack flavor. Additionally, hidden fees for takeout and upcharges for to-go orders have left a sour taste for some. However, others celebrate the generous portions and fresh ingredients, especially the onion rings and signature burgers. Overall, the restaurant's charm and community vibe keep some patrons returning.
