The restaurant from Tacoma offers **58** different **dishes and drinks on [the menu](#)** for an average price of \$5.3. Gravity Coffee has garnered mixed reviews, showcasing both its charm and challenges. Many patrons praise the exceptional quality of coffee and the friendly, attentive staff, often commending their skill in crafting beverages without burning them. The welcoming atmosphere is a highlight, with numerous customers expressing gratitude for the baristas' kindness. However, there are concerns regarding operational issues, such as unaddressed customer obstruction in parking areas and supply shortages for popular menu items. While the coffee is celebrated, the unresponsiveness to such complaints could tarnish the overall experience. Ultimately, Gravity Coffee captivates coffee lovers while facing growing pains in its neighborhood.
