**The menu of Matthews Wine Cellar from Matthews** contains about **59** different menus and drinks. On average you pay about \$8.5 for a dish / drink. Matthews Wine Cellar offers a mixed experience, with vibrant ambiance and enjoyable drink options. Guests praise the cozy atmosphere and the attentive staff, particularly during special events like bridal showers. However, inconsistent food quality and service can detract from the overall experience. While some diners have enjoyed delicious dishes alongside a great beer selection, others find the menu limited and the service slow during peak times. The establishment features live music, making it a lively spot for a night out, yet improvements in reservation management and food execution are desired. Overall, it remains a promising venue with potential.
