The restaurant from Amherst offers **61** different **menus and drinks on [the menu](#)** at an average price of \$8.6. Chipotle's location has garnered mixed reviews that highlight both the allure of flavorful meals and significant service shortcomings. While many patrons appreciate the generous portions and affordable prices, a concerning pattern of order inaccuracies and unsatisfactory customer service emerges. Instances of incomplete dishes, long waits for payment, and frustrating interactions with staff detract from the dining experience. Despite a few positive mentions of cleanliness and staff friendliness, unfortunate incidents, such as finding a dead bug in food, overshadow these positives. Overall, customers express a general disappointment, questioning the reliability and quality of this Chipotle outlet.
