The restaurant from Clayton offers **62** different **courses and drinks on [the menu](https://menuweb.menu)** for an average price of \$18.7. Oceano, a restaurant located in San Juan, offers a dining experience that some find exceptional, while others have mixed feelings. The menu is varied, with unique options compared to other restaurants in the area. The drinks, especially the cocktails, were well-received by many patrons. The service is often highlighted as being top-notch, with servers like Diego and Gabrielle receiving praise for their attentiveness and helpfulness. The ambience is romantic, particularly for those seated on the beachfront patio. The seafood dishes, such as swordfish and scallops, are standout items on the menu. However, some diners have found the food to be over salted or lacking in flavor, with particular criticism aimed at starters like the tuna tartare. The restaurant's decor has received mixed reviews, with some finding it lacking in sophistication for a high-end establishment. Overall, Oceano seems to be a hit or miss for visitors, with some enjoying the outstanding culinary experience and breathtaking views, while others feel that there are better dining options in the area for the price.
