**The menu of Wendy's from Marietta** comprises about **62** different dishes and drinks. On average you pay about \$3.5 for a dish / drink. The reviews for this restaurant are quite mixed. Some customers complain about long wait times, runny food, and poor customer service. Others praise the staff for their kindness and flexibility.

Overall, it seems that the main issue lies with the management, as staffing levels and quality seem to have declined over time. While there are some positive experiences to be had, the inconsistency in service and food quality may deter some customers from returning.
