On this webpage, you will find the **complete menu** of **Bijou Resto & Bar** from Montréal. Currently, there are **62** dishes and drinks available. The Bijou restaurant at the Marriott airport location offers an convenient but somewhat disappointing dining experience. While the caprese salad and bison ribs were good, the overall menu is limited and prices are high. Service was hit or miss, with lukewarm water and less-than-full coffee cups. However, those looking for vegan options will appreciate the Chick Pea Curry. The atmosphere and service were praised by some, with friendly staff and a cozy ambiance. The poutine was a standout dish, but other items fell short. While the restaurant has its positives, improvements could be made to enhance the overall dining experience.
