While many praise its New London-style pizza, noting its excellent crust and generous portions, others express dissatisfaction with items like spicy fries and chicken wings, citing lack of flavor and poor quality. The customer service has also raised eyebrows, with reports of unfriendliness and inconsistency in food preparation. Though the establishment has loyal patrons who praise its longevity and kid-friendly atmosphere, others feel the prices don't match the quality. For pizza lovers, it remains a standout, but the overall experience could use some improvement.
