A **comprehensive [menu](#) of Baja Fresh** from [Gresham](#) featuring all **18** dishes and drinks can be found here on the list. This restaurant offers a diverse menu praised for its flavorful dishes, including standout items like the chili lime salad and amricon tacos. However, many diners have noted cleanliness issues, with dirty tables and outdated food presentation detracting from the experience. While service can be friendly, delays and order inaccuracies have left some customers disappointed. The atmosphere is generally perceived as lacking energy, especially when compared to nearby competitors. Despite the negative feedback, those who enjoy fresh ingredients may find reason to return, especially if improvements continue.
