On this site, you will find the **complete [menu](#) of McDonald's** from Tulsa. Currently, there are **20** meals and drinks available. Recent visits to McDonald's reveal a blend of satisfaction and disappointment. While some patrons appreciate the quick service and recognizable menu items like the Big Mac and Filet-O-Fish, others express dissatisfaction with food quality and flavor, highlighting issues like soggy fries and overly salty burgers. The drive-thru service garners praise for efficiency, complemented by friendly staff. However, the presence of homeless individuals near the entrance can detract from the ambiance. Overall, diners find this location adequate, albeit lacking the spark that would elevate it beyond standard fast-food expectations.
