What People Are Saying!

★★★★★

Great and creative pizza, some of the best crust I've had. Didn't know I needed some of the fusions till I had them. Highly recommend giving their curry pizzas a try.

Have gone here for years and it's my favorite place in Georgetown. Cool location, the food is top tier Indian food and is not too expensive. One of the only places I continue to go back to in DC. I've eaten all the items on the small plate menu and a lot of the entrees and you really can't go wrong! Highly recommend the lettuce wraps and the Korma (medium heat level is perfect)
