At the moment, there are **36** dishes and drinks on the menu. ****Restaurant Review: A Culinary Conundrum**** This bustling pizzeria boasts a lively atmosphere that speaks to its popularity, often drawing crowds on even the quietest nights. While some rave about the specialty pizzas and flavorful dishes like Chicken Fire Pasta, others express disappointment over service delays and uneven quality. Standouts include the crispy pepperoni and inventive caprese salad, complemented by a solid regional beer selection. However, patrons have reported issues with crust consistency and service, leading to mixed feelings about the overall experience. While many customers savor the wood-fired flavors, the restaurant's charm is sometimes overshadowed by its busy environment and service missteps.
