On this website, you will find the **complete [menu](#) of Mj Pizzeria** from Springdale. Currently, there are **36** dishes and drinks available. MJ's offers delicious wood-fired pizzas and standout appetizers like spinach artichoke dip and gnocchi, earning praise for fresh ingredients and unique flavor combinations. The ambiance is lively and servers can be attentive and knowledgeable, enhancing the dining experience. However, inconsistent and slow service frequently mars visits, with reports of long waits, poor communication, and orders mishandled or arriving cold. While the food quality impresses many, some feel the pricing doesn't always match the experience, citing extra charges that add up. MJ's remains a promising spot for pizza lovers willing to overlook service hiccups for quality dishes.
