The restaurant from Indianapolis offers **49** different **menus and drinks on [the menu](#)** at an average price of \$7.2.

Chipotle has long been a staple for quick Mexican cuisine, but recent visits reveal a spectrum of experiences.

While some diners commend the cleanliness, friendly staff, and speed of service, others highlight concerning issues such as missing items, over-seasoned dishes, and a decline in food quality. Positive notes include fresh ingredients and efficient management during peak times, while negative feedback points to customer service hiccups and inconsistent meal preparation. Despite its flaws, many appreciate the customizable, affordable menu, making Chipotle a viable option for those looking for a fast meal – albeit with some room for improvement.
