The menu of Bakery from Paterson comprises about **51** different dishes and drinks. On average you pay about \$9.7 for a dish / drink. This restaurant presents a diverse yet inconsistent culinary journey. While the service receives high praise for its warmth and attentiveness, the food varies significantly in quality. Diners have enjoyed standout dishes such as flavorful kababs and fresh bread, while some traditional options, like dolma and hummus, have disappointed. There are commendable aspects, with many guests praising the freshness and generous portions of certain items, but the inconsistency raises concerns.
