On this webpage, you will find the **complete [menu](#) of Bakery Express** from Arbutus. Currently, there are **64** dishes and drinks available. Ms. Desserts remains a charming bakery known for its delectable offerings, including donuts, cakes, and sandwiches. However, some patrons express disappointment over recent changes, such as a decline in quality and the reduction of a beloved discount section for less-than-perfect treats. Service seems inconsistent, with some customers noting longer wait times and lackluster assistance. While many appreciate the clean environment and friendly staff, a nostalgic sense lingers for the days when the bakery was bustling with patrons. Overall, Ms. Desserts continues to attract loyal customers despite a few growing pains.
