The restaurant from [Apache Junction](#) offers **64** different **menus and drinks on the menu** for an average price of \$9.8. Nestled in a vibrant area, this Mexican restaurant offers a mixed bag of experiences. While some patrons rave about the friendly service and flavorful dishes like chili rellenos and Gilbert's New Creation, others echo concerns regarding greasy food, cleanliness, and inconsistent quality. The lively atmosphere, complete with authentic music, has been appreciated, yet issues like poorly cooked beans and lack of proper seating options detract from the overall appeal. Though some diners find it a perfect spot for family gatherings and date nights, the restaurant's maintenance and food quality seem to need attention for a consistently satisfying experience.
