The restaurant from Thousand Oaks offers **67** different **menus and drinks on [the menu](#)** for an average price of \$18.1. Sabor, a Mexican restaurant in Thousand Oaks, has received mixed reviews recently. Some loyal customers have expressed disappointment with the new policy of charging for chips and salsa, with additional charges for salsa refills. Despite the high prices, many customers felt that the quality and uniqueness of the dishes no longer justified the cost. However, there were still positive reviews praising the excellent food, good service, unique menu offerings, and a pleasant dining experience. It seems that the restaurant's decision to implement new charges for traditional [Mexican](#) fare has left some customers feeling nickel-and-dimed, while others continue to enjoy the food and atmosphere at Sabor.
