The restaurant from Tacoma offers **69** different **dishes and drinks** on [the menu](#) for an average price of \$12.7.

Nestled in the heart of the community, this pizza restaurant garners attention for its commendable flavors, especially the highly-praised meat lovers and unique baked meatballs that delight the palate. Though many diners laud the friendly service and fresh ingredients, experiences vary dramatically. Some find the atmosphere lacking, citing inattentive staff and inconvenient wait times for takeout. Others remark on the inconsistently cooked dishes, particularly the underwhelming pasta and tiramisu. While pizza lovers may enjoy a visit, many suggest opting for takeout to avoid potential dining pitfalls and focus solely on the standout pizza offerings.
