The menu of Carl's Steak Subs from Waltham contains about **69** different dishes and drinks. On average you pay about \$9.3 for a dish / drink. Nestled conveniently near many workplaces, this sub shop garners attention for its impressive steak and cheese offerings—praised as some of the best in Massachusetts. While some patrons report mixed experiences with service, including inattentiveness at the counter, many rave about the deliciousness and consistency of the food. The chicken parm and unique steak combinations have won over regulars who traverse far for a taste. However, the small venue can lead to parking woes and less-than-ideal takeout experiences. Despite minor service hiccups, this spot remains a beloved choice for hearty, flavorful subs worth the trip.
