The restaurant from Springfield offers **70** different **dishes and drinks** on [the menu](#) at an average price of \$8.9. At Steak 'n Shake, opinions swing widely among patrons. While the iconic Frisco Melt remains a favorite, recent visits have revealed inconsistencies, such as missing ingredients and lackluster milkshakes. Service has faced heavy criticism, with long waits for carhop orders and rarely responsive staff, leading to frustrations over cold food. However, some customers have experienced a turnaround, praising prompt service and accurate orders under the new kiosk system. Familiar favorites like the 7x7 burger and excellent shakes entice loyal fans, alongside efficient team members during busy hours. Steak 'n Shake faces a balancing act between tradition and efficiency amidst evolving dining expectations.
