Complaints center on long wait times, insufficient portion sizes, and lackluster service. Customers reported extensive delays for simple orders, with some waiting nearly half an hour for meals that were both cold and inadequately prepared. While the staff's friendliness earned a few points, it wasn't enough to compensate for the overall poor experience, which included incorrect orders, missing receipts, and unappetizing food that left diners feeling unwell. Many vow never to return, highlighting a need for improvement in service and quality.
