On this website, you will find the **complete [menu](#) of Carlos O'Kelly's** from Cedar Rapids. Currently, there are **71** menus and drinks available. This Mexican eatery offers friendly, attentive service with staff praised for patience and helpfulness, especially accommodating dietary restrictions like cilantro avoidance. The restaurant features a kids' menu, ample parking including handicap spaces, and wheelchair accessibility. While some dishes impress—such as the flavorful Pasta Diablo and warm queso—others disappoint, including tough steak and stale sides. Portions, especially on dishes like Naked Nachos Grande, may feel overpriced. The venue shows signs of wear, suggesting a need for updates. Takeout is efficient and enjoyable, making it a convenient option despite inconsistencies in food quality. Overall, a mixed experience with room to improve.
