On this webpage, you will find the **complete menu of John's Coney Island** from Flint. Currently, there are **72** menus and drinks available. Flint's renowned diner evokes strong opinions among patrons, eliciting both admiration and disappointment. While many rave about the exceptional fish and chips, generous portions, and inviting atmosphere, others criticize inconsistent service and declining food quality. Positive experiences highlight standout dishes like the Philly cheesesteak and hand-cut onion rings, with attentive waitstaff enhancing the dining journey. However, frustrations abound over operational hours and food preparation, suggesting the establishment may be at a crossroads. As regulars and newcomers alike plead for improvements, it becomes clear that this once-classic American diner could benefit from a refreshed approach to both service and menu.
