The **menu of Rosa's Deli** from [Wallingford](#) includes 73 dishes. On average the **dishes or drinks on the menu** cost approximately \$6.7. You can view the categories on the menu below. Rosa's Deli, once the beloved destination for sandwiches and Italian fare, now evokes mixed feelings among patrons. While many cherish the warm service and traditional charm, there are growing concerns about the quality of food, particularly the sandwiches, which have reportedly become less generous in portion and flavor. Longtime fans reminisce about the deli's heyday, lamenting the decline in deli meat and cheese in their classic combos. On a brighter note, positive experiences with catering and overall food quality still shine through, making Rosa's a spot worth visiting —if only to savor some of its past glory.
